About Quantum Exponential Group Plc

Quantum Exponential is a first of its kind, Aquis Stock Exchange listed, investment company focused on opportunities in quantum technology and the wider quantum computing sector, with a highly capable advisory board made up of industry advisors, entrepreneurs, and technology investment professionals with broad access to quantum opportunities and markets. Quantum Exponential's investment strategy is to assemble a portfolio of minority investments in early-stage global quantum technology companies, primarily in NATO allied countries, offering institutional and private investors access to revolutionising technologies and industries in the realms of artificial intelligence, manufacturing and healthcare.
